## PROFESSIONAL CAREER

### Consultant

*Independent, Los Angeles, CA | Feb 2020 - Present*

- Provide public health and social services consulting to diverse clients.
- Provide language justice consulting and interpretation services to diverse clients.
- Past and current clients include: Stay Housed LA, Housing Now CA, Latinx Therapists Action Network, Autonomous Tenants Union Network, Wendy Todd Consulting, Advocates for Youth, Solidarity Research Center, Los Angeles Garment Worker Center, Resilient Strategies, and the Los Angeles Center for Community Law and Action.

### Program Planning & Research Associate

*Sentient Research, Inc., Los Angeles, CA | Apr 2017-Feb 2020*

- Managed and coordinated multiple quantitative and qualitative research projects to inform and evaluate diverse public health programs.
- Collected, managed, analyzed, and interpreted qualitative and quantitative data for formative and evaluative research purposes; including conducting in-depth interviews, focus groups, and surveys.
- Coordinated communication between Sentient staff, outside consultants, research participants, and clients.

### Reproductive Health Assistant

*Planned Parenthood Los Angeles | Jul 2012-Aug 2013*

- Provided in-depth reproductive health and family planning counseling in both English and Spanish.
- Performed technical medical tasks (drawing blood, injections, taking blood pressure).

## RESEARCH & FIELD WORK

---

### Research Consultant

*La Fundación Oriéntame, Bogotá, Colombia. Funded by the UCLA Bixby Center on Population and Reproductive Health and the UCLA Monica Salinas Scholarship | July 2015-Sept 2015*

- Documented 200 variables in the organization's electronic database, including detailed information on how they are extracted from electronic and physical records and how that has changed over time.
- Cleaned, re-coded, and analyzed a dataset of 2,000 reproductive health procedures that contributed to further research on the topic.
- Provided a summary of main findings to the organization.

### Graduate Student Researcher

*Center for the Study of Latino Health and Culture, UCLA | Jun 2014-Sept 2014*

- Aided with data management for a project on the history of California.
- Conducted a literature review on the use of racial and ethnic categories in health research.

### Undergraduate Student Researcher

*UC Santa Cruz and Dartmouth College | Apr-Jun 2010 and May-Jul 2011*

- Collected, managed, and analyzed data for several biological anthropology research projects focused on the life history and nutrition of indigenous Filipino populations.
- One project tested a life history hypothesis explanation for short stature in humans which was used for my undergraduate thesis.

## TEACHING

---

### Teaching Assistant: Epi 100: Principles of Epidemiology

*UCLA Department of Epidemiology | Jun 2014-Sept 2014*

- Managed grades for over 100 students.
- Developed, administered, and graded coursework and exams.
- Led discussion sections to review material taught that week.
- Held office hours to assist individual students and answer questions.

## PUBLICATIONS

---

- Plant A, Montoya J, Snow E, Coyle K, Rietmeijer C. Developing a Video Intervention to Prevent Unplanned Pregnancies and Sexually Transmitted Infections Among Older Adolescents. *Health Promotion Practice*, 2018.
